

CARNEGIE BOROUGH
PESTICIDE APPLICATION
CONSENT FORM, RELEASE & RECORD

On this _____ day of _____, 2009.

I/we _____, being the owner(s) / tenant(s)

of the Property located at _____, Carnegie Borough, Allegheny County, Pennsylvania, do hereby willingly authorize CARNEGIE BOROUGH, through its employees or agents, to enter upon the above property for the purpose of controlling pests of public health significance (rats, mice, mosquitoes, cockroaches, etc.) and to the use by registered or certified public health pesticide applicators and / or bait containing pesticides during such operations on this property.

In consideration for authorizing the Borough to perform pest control operations on my/our property, I/we do hereby agree to release, absolve, and hold harmless, the Borough of Carnegie, its employees and agents, of any liability for any claims of damage to persons or property arising out of the pest control operations or the use of pesticides during or as a result of such operations.

I/we are aware that pesticides maybe hazardous to persons or animals, and agree to control any pets, children and other on the property during or following pest control operations or placement of bait in order to minimize the risk of contact or exposure to any pesticide on site.

I/we do _____, do not _____, own a household pet. I/we have also been informed by the Borough of the kinds of pesticide to be applied on my/our property and of the locations where such pesticides are being placed on my/our property.
